**Creating special places for special people:
Respect, harmony and freedom...**

REANZ, in friendship with 'The Crib', invites teachers to catch the bus to Matakana and share a day focusing on infants and toddlers. Teachers from 'The Crib' will present stories of their work, the learning environment, pedagogical documentation and teacher research. A visit to the centre will follow. Diti Hill and Sally Groenhart will facilitate focused conversations around providing respectful spaces for young children to learn and grow.

You will also have time to look around lovely Matakana Village.
