

REANZ CONFERENCE 2020

Titiro whakamuri kia anga whakamua

Look into the past in order to go forward

Friday 17th – Sunday 19th July 2020

Diocesan School for Girls, Clyde Road, Epsom, Auckland

Come and celebrate the centenary of Loris Malaguzzi's life and work (the founding forefather of the Reggio Emilia Approach) with Prof. Claudia Guidici the President of Reggio Children and an atelierista from Reggio Emilia. Prof. Guidici is a well renowned lecturer in psychology and pedagogy, author, researcher and pedagogista who will challenge us to think deeply about children as co-learners, as people and as citizens.

Join us to generate new thinking and pathways by reflecting on the political and pedagogical essence of the Reggio Emilia Approach in relation to the rich history and unique bi-cultural heritage of early years and primary education in Aotearoa New Zealand.

Connect, create and re-imagine new possibilities for tamariki, kaiako and learning and teaching communities. Encounter inspiring international and national speakers, arts specialists, stories of practice and creative workshops that will provoke and inspire change, innovation and hope for a more ethically and politically sustainable world.

Conference Registration

Early Bird (until March 31st)
\$590 (incl. GST)

Standard Registration (from April 1st)
\$650 (incl. GST)

REGISTRATIONS ARE NOW OPEN!
